### Profile

Graduate from the Art University of Bournemouth in cinematography, I have experience as a lighting technician and cinematographer on fiction, music video, commercials, and animation in addition of experience as a location marshal. Dedicated and passionate by my craft, I enjoy collaboration and bring my creativity to the projects I work on.

---

### Skills

I am serious and dedicated to my craft, I believe to be someone enjoyable to work with and reliable. I have good knowledges in camera, lighting, photography and colour grading and always try to push my work to its limits. I can also speak French and have a driving license.

---
